

## NOTICE OF MEETING

The Forest Practices Board's Policy Working Group on Northern Spotted Owl Conservation (Working Group) will conduct a work session on April 28 and 29, 2009.

The purpose of the Working Group's meetings is to develop measures that result in strategic contributions from non-federal lands in Washington to the broader goal of conservation of a viable population of the Northern Spotted Owl.

These meetings are open to anyone who wishes to observe; however, only Working Group members may participate in the discussion and decision-making. The Working Group will not take public comment at these meetings but may invite presentations needed to inform its deliberations.

The meeting will be held in Room 250 at 724 Columbia Street NW, Olympia. On April 28, the meeting is scheduled to convene from 8:30 a.m. to 7:00 p.m. At 5:00 p.m., discussions will continue at Mercato's Ristorante, 111 Market Street NE, #106, Olympia. On April 29, the meeting will convene from 8:30 a.m. – 4:00 p.m.
